## R. K. Verma

B.Tech. (IIT-Madras, 1994)

**Managing Director & CEO**

Head Academics & Senior Faculty (Physics)

Mr. Ram Kishan Verma is one of those entrepreneurs who have come into limelight from obscurity purely on the basis of strong vision and concrete determination. Mr. Verma was born, brought up and educated in the rural area of Kota, Rajasthan. He maintained excellent academic record throughout his schooling and also graduated meritoriously as a B.Tech., Electrical & Electronics Engineering from IIT-Madras in 1994.

Upon completion of B.Tech., he joined BHEL as a Trainee Engineer but shortly moved to become a Physics faculty at a reputed coaching institute in Kota, Rajasthan when this city was emerging as a coaching destination for aspirants of IIT-JEE. The inherent ability, sincerity and hard work earned a quick popularity to Mr. Verma among large number of students.

His prevailing dream of giving 'Educational Excellence' to students, aspiring success in IIT-JEE, through an educational system driven with core values and ethics ultimately resulted in the foundation of 'Resonance' on 11th April 2001 at Kota, Rajasthan.

The in-depth understanding of 'what' and 'how' to teach students for gaining success in competitive examinations along with strongly following the core values of system is not only the principle approach of Mr. R.K. Verma but also the major driving force behind all endeavors of Resonance.

## Founder's Message

My Dear Students,

Welcome to Resonance. Education is a social process. Education is growth. Education is, not a preparation for life; education is life itself. Swami Vivekananda (1863-1902), a great thinker and reformer of our country, embraced education, which for him signified 'man-making', as the very mission of his life. To quote him: 'Education is not the amount of information that is put into your brain and runs riot there undigested, all your life.' Education for him means that process by which character is formed, strength of mind is increased, and intellect is sharpened, as a result of which one can stand on one's own feet.

Over the past 13 years (2001-2013), Resonance has served its students with its core values as guiding principles. Our core values have been the key to our success and are the basis for everything we do. These values foster an environment that keeps our performance focused on the students. Serving our students is our solitary priority.

Change is inevitable, growth is intentional. Resonance has spread its wings across the country through its 'own' Study/Information Centres Network to reach every aspiring student who wants to be successful in various competitive examinations. The last year has seen a lot of changes in the pattern of entrance examination, these changes will further enhance the level of competitiveness for admissions in elite Engineering and Medical institutions in the country. We have already taken up this challenge and have adopted these changes faster than anybody else.

The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather a lack of will, guidance and mentoring. At Resonance, we are focused on your success. Though change and uncertainty may be ever present, Resonance remains firmly committed to helping students by providing academic services to enable them to meet their career goals and objectives.

We have many trustworthy and supportive students & parents in all parts of the country and wish to express our appreciation for their continued support and endorsement of our academic services. In the last 13 years, we have achieved unprecedented success. I must appreciate, congratulate and thank all our students & their parents for their belief & patronage to Resonance.

I look forward to serve your highest order of scholastic expectations at Resonance.

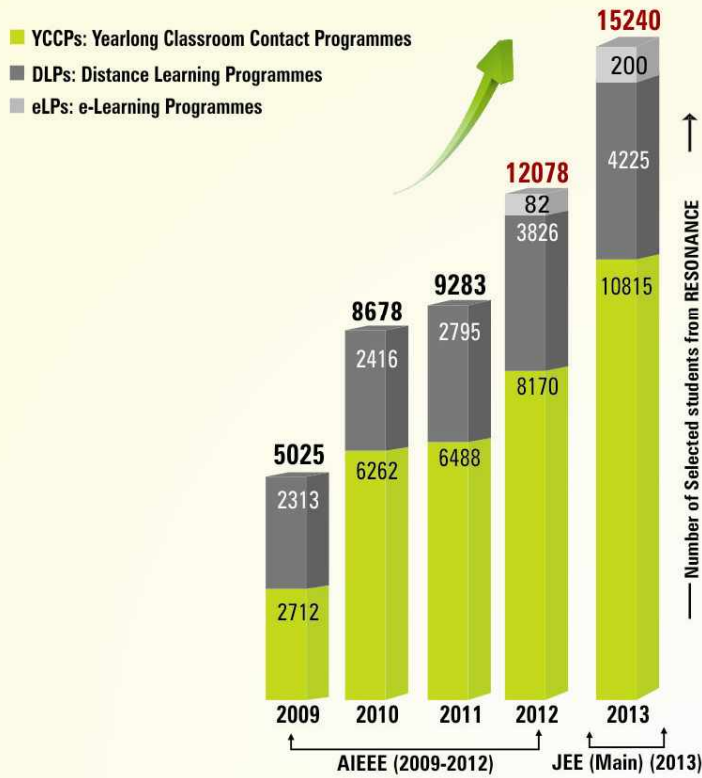

Best Wishes,

R.K. Verma

## Kishore Vaigyanik Protsahan Yojana (KVPY) '2012 Toppers' Speak...

**AIR-61 (GEN)**  
(SA-Stream)  
**Kisalaya Mishra**  
Reso Roll No.: 12614724

Resonance test series helped me a lot in knowing my position in the country, and also in improving it. The questions present in the test papers helped me to give my best in the main KVPY exam.

**AIR-88 (GEN)**  
(SA-Stream)  
**Shreemoyee Sarkar**  
Reso Roll No.: 11680194

Resonance DLP material made me acquainted with the pattern of the question paper and helped me in answering the conceptual questions asked during written exam & interview.

**AIR-122 (GEN)**  
(SA-Stream)  
**Himanshu Singh**  
Reso Roll No.: 12600280

Really my success in KVPY is only due to Resonance DLP. I was also preparing for IIT and it was very difficult to study for KVPY until I took Resonance DLP. Thanks a lot Resonance.

**AIR-39 (Mentorship)**  
(SA-Stream)  
**Gourab Panigrahi**  
Reso Roll No.: 12614723

The Resonance material was quite informative and the coverage of previous year questions was excellent. Even the mock test were confidence booster before the final exam. This is the only institute which provides mock test for KVPY. The study material is adequate for KVPY preparation.

**AIR-189 (Mentorship)**  
(SA-Stream)  
**Snehesh Talukdar**  
Reso Roll No.: 12650586

The previous years problems coverage gave me a lot of confidence to appear in KVPY. The interview workshop was outstanding and mock interview groomed me for the actual interview round.

**AIR-60 (GEN)**  
(SB + 2/SX-Stream)  
**Bhalgat Yash Sanjay**  
Reso Roll No.: 12652445

The content of the material especially in Physics & Chemistry helped me a lot in getting KVPY scholarship. The quality of problems in all the subjects was excellent.

**AIR-322 (GEN)**  
(SB + 2/SX-Stream)  
**Anshuman Pada**  
Reso Roll No.: 12614712

I took Resonance DLP material for preparation of KVPY SA stream last year, but I marginally missed the scholarship, this year also I kept my confidence in Resonance material and took SB+2 material and qualified for scholarship. The Resonance material has the best details in the best form.

**AIR-26 (GEN)**  
(SB-Stream)  
**Vysakh V Nair**  
Reso Roll No.: 12651619

I had already completed an intensive coaching of medical entrance, but when it came to KVPY preparation I referred only Resonance DLP material. It was only because of my laziness I ended up with 26th rank, as after preparing with Resonance material I was confident to score the 1st Rank.
